

LAUNDROMAT PRICING INFORMATION

WITH HUEBSCH COMMAND, YOU GET:

A mobile payment system that fits seamlessly into your customers' lives—while eliminating the operational, maintenance and capital costs of traditional card-based systems.

Wireless, cloud-based platform that lets you control and monitor machines, access customer and revenue data and optimize your business from anywhere in the world.

Setup that takes minutes, thanks to factory installed hardware and networking supported by Alliance Laundry Systems.

Increased revenue via Huebsch Rewards, which helps you show appreciation for—and retain—your customers.

Huebsch Care gives you dedicated support and the latest that Huebsch has to offer.

What's included:

- 24/7 support for you + your customers
- Automatic updates with no risk of obsolescence
- Hardware coverage for network boards and gateways (with active agreement)
- Product specialists to help with onboarding, best practices, store marketing and more
